Certificate of Conformance

MCR Safety is an industrial glove, glasses, and safety garment manufacturer and importer selling exclusively to safety equipment distributors. MCR Safety is not a manufacturer, importer, or distributor of chemicals. Garment PPE, including flame resistant garments, are considered “finished articles” and are exempt from OSHA Hazard Communication Standard 29CFR 1910. Due to this classification, we are not required to furnish Material Safety Data Sheets for our products. This information is in accordance with Part 1910.1200 of Title 29 of The Code Of Federal Regulations, which states that an article is a manufactured item:

- (1) Which is formed to a specific shape or design during manufacture,
- (2) Which has end use function(s) dependent in whole or in part upon its shape and design during end use, and
- (3) Which does not release or result in exposure to a hazardous chemical under normal conditions of use.

Please let us know if you are in need of further information. Thanks again for your inquiry and your continued support of our MCR Safety brands.
