PRO3P

Specification Sheet

PRODUCT DESCRIPTION:

MCR Safety's PRO3P Face Masks are soft, comfortable and easy to wear. The PRO3P safety mask is made with triple layer polypropylene material. The internal layer is non-woven moisture absorbing polypropylene, the middle layer using high-efficiency melt-blown filter, and the outer layer is water repellent polypropylene. This mask is equipped with elastic ear loops for quick and easy donning. May aid in filtering out dust, smoke, pollen and bacteria and help prevent the spreading of germs caused by coughing, sneezing and talking.

FEATURES:

- Single Use / Disposable Flat Fold Face Mask
- Contains no latex rubber
- Non-Sterile
- Universal size
- Soft triple ply, moisture absorbing material
- Elastic ear loops for easy donning
- Disposable
- Adjustable Nose Bridge
