400BP Rainwear Specification Sheet

PRODUCT DESCRIPTION:

The Cyclone Series offers excellent strength and durability for tough jobs. Nylon material is an excellent choice for tough and rugged garments. The Cyclone features a wavelock pattern nylon between two layers of PVC that gives it great rip resistance and abrasion resistance. The 400BP is a bib style pant option with snap fly front, take up snaps on each ankle, and partial elastic suspenders. Limited flammability, NOT intended for use as protection against ARC Flash or Flash Fire. [For more information on Limited Flammability, Click Here.](#)

FEATURES:

- .35mm PVC/Nylon/PVC, bib style pants, rip-resistant wavelock nylon pattern
- Snap fly front
- Take up snaps on each ankle and on waist
- No Pockets
- Limited flammability, NOT intended for use as protection against ARC Flash or Flash Fire

APPLICATIONS:

Agriculture, Beef processing, Construction, Farming, HVAC, Janitorial, Landscaping, Poultry processing, Sanitation, Oil and Gas Industry
