508SJ Rainwear Specification Sheet

PRODUCT DESCRIPTION:

MCR Safety continues to expand and improve our line of Hi-Visibility apparel to make your workplace safer. The 508SJ is a rain jacket with a detachable hideaway hood for safety and convenience. It meets ANSI 107 Type R Class 3 High visibility standards and is made with a rugged fluorescent lime/black Polyester/PU material. Silver reflective stripes ensure you will be seen in low light environments. Other features include a metal snap front, underarm air vents, cape ventilated back and D-Ring access slot. It has 2 generous front flap pockets and 1 clear ID chest pocket. Black material around the wrists and lower front torso hide dirt and grime. For matching pants see item 508SBP
