ICV204 Safety Vest Specification Sheet

PRODUCT DESCRIPTION:

These Incident Command Vests can be used to help quickly identify personnel in any environment by using color as an identifier. Example: the foreman may wear green and the drivers may wear red. Also, define your workers by using clear front and back slots to insert the title information of your choice. The ICV204 is a solid red polyester/cotton safety vest with two 1" white horizontal reflective stripes, elastic side straps to fit a variety of sizes, and front hook & loop fasteners. 1 inner pocket and 1 outer pocket.

FEATURES:

- Four colors for identifying different types of users or applications
- Solid blue material with 1" white reflective stripes
- Non-ANSI compliant, 1 outer and 1 inner pocket
- Clear back insert slot to place your title (4 3/4" x 10 1/2")
- Clear front insert slot to place your title (3 3/4" x 4 3/4")

APPLICATIONS:

EMT, Construction, First responder
