S560E4

Sleeves

Specification Sheet

PRODUCT DESCRIPTION:

Looking for durable high-quality sleeves? The S560E4 sleeve is made from .25mm TPU/Nylon material that is light weight, durable, and strong for outstanding wear. The TPU outer is resistant to many oils, fats, and greases making this a great option for food processing applications. Nylon greatly increases puncture and rip resistance making this sleeve a much longer lasting option. This sleeve is 18 inches long and has elastic on both ends for a secure fit. It also features a reinforced inner hook for hanging when not in use.

FEATURES:

- .25mm TPU / Nylon Material
- TPU material is resistant to oils, fats and grease
- Reinforced inner hook for hanging sleeves
- 18 Inch length
- Lightweight and extremely durable
- Elastic on each end ensures a secure fit
