Dominator (DM2)

Safety Glasses

Premium Series

Specification Sheet

PRODUCT DESCRIPTION:

Dominator™ Safety glasses are designed to provide solution-based eyewear protection. They are distinguished with application based, stylish design elements and superior coatings for work and play. The Dominator™ 2 core feature includes wire core independently adjustable nose pads to fit most facial profiles. They are available with MAX3™ scratch resistant coating which provides three times greater scratch resistance or MAX6™ anti-fog coating which is proven to provide six times greater fog-resistance and dissipation. The Dominator™ 2 includes a co-injected brow guard for extra protection and co-injected soft TPR temples to increase comfort. These high quality safety glasses have a lifetime frame warranty and are engineered to provide the highest level of innovation. Dominate your day with adjustability, protection, and comfort! Choose the best safety glasses, choose MCR Safety!

FEATURES:

- Co-injected wire core adjustable nose pads for complete adjustability
- Co-injected Brow Guard provide additional protection
- Co-injected soft TPR temples increase comfort
- Available in Black temples with gray TPR or Black temples with red TPR options
