

**MCR
SAFETY**

Law (LW3) Safety Glasses

Value Series Specification Sheet

PRODUCT DESCRIPTION:

This lightweight and fashionable wrap-around lens design offers an excellent orbital seal and a higher level of protection from side impacts due to its greater coverage area. The addition of soft open cell foam around the lens provides the wearer with added protection from hazards and more comfort for long term use. TPR temple inserts that enhance grip and comfort are included on all styles. This series is a dielectric option, meaning that there are no metal pieces in the eyewear. Could be used as motorcycle glasses! Hi-Vis orange TPR temple inserts are included on our clear and gray lens styles. Choose the best safety glasses, choose MCR Safety!

FEATURES:

- Lens is sealed with open cell foam
- Provides increased protection from small particles and debris
- Dielectric, no metal parts
- Anti-Fog lens coating
- Single lens design with integral side shields for greater orbital seal
- Hybrid temple design
- Thermal Plastic Rubber (TPR) temple inserts and nose pads enhance grip and comfort
- Lightweight frame is comfortable and easy to wear
