## Safety Glasses

### Value Series

### Specification Sheet

#### PRODUCT DESCRIPTION:

This fashionable wrap-around lens design offers an excellent orbital seal and a higher level of protection from side impacts due to its greater coverage area. The addition of open cell foam inside each lens provides a greater level of comfort along with increased protection from small particles and debris by creating a tighter orbital seal. TPR (Thermal Plastic Rubber) temple inserts that enhance grip and comfort are included on all styles.

#### FEATURES:

- Open cell foam provides increased protection from small particles and debris
- Dielectric, no metal parts
- Single lens design with integral side shields for greater orbital seal
- Hybrid temple design
- Thermal Plastic Rubber (TPR) temple inserts and nose pads enhance grip and comfort
