RP1 Goggles Series Specification Sheet

PRODUCT DESCRIPTION:

The RP1 series is here! Bringing you style and a design that is admired both for its great looks and functionality! The removable closed cell foam gasket forms a seal around each eye blocking out debris and small particles. Want more? Each side is vented to allow air to flow inside the lenses! The dual lenses are made of lightweight scratch resistant polycarbonate that filters 99.9% of harmful U.V.rays. The UV-AF™ Anti-Fog coated lenses are Eco-friendly and UV cured, providing 3 times greater Anti-Fog performance than generic Anti-Fog safety goggles. Can be used as motorcycle goggles or glasses! Choose the best safety glasses, choose MCR Safety!
