RP2

Safety Glasses

Premium Series Specification Sheet

PRODUCT DESCRIPTION:

The RP2 series is here! Bringing you style and a design that is admired both for its great looks and functionality!! The Removable closed cell foam gasket forms a seal around each eye blocking out dust, debris, and small particles. Want more? Each side is vented to allow air to flow inside the lenses!! The dual lenses are made of lightweight scratch resistant polycarbonate that filters 99.9% of harmful U.V. rays. Can be used as motorcycle safety glasses! The RP212PF features our MAX6® anti-fog lens coating which is proven to provide six times greater fog-resistance and dissipation than standard anti-fog options. If you are looking for the best anti-fog safety glasses, look no further than MCR Safety!
