RP2

Safety Glasses

Premium Series Specification Sheet

PRODUCT DESCRIPTION:

The RP2 series is here! Bringing you style and a design that is admired both for its great looks and functionality!! The Removable closed cell foam gasket forms a seal around each eye blocking out dust, debris, and small particles. Want more? Each side is vented to allow air to flow inside the lens!! The dual lens are made of lightweight scratch resistant polycarbonate that filters 99.9% of harmful U.V. rays. The RP210DC is coated with MCR Safety's MAX36™ protection, combining both our MAX3™ coating which provides three times greater scratch resistance and Max6™ coating which is proven to provide six times greater fog-resistance and dissipation. Can be used as motorcycle safety glasses! Choose the best safety glasses, choose MCR Safety!
