# Swagger (SR5) Safety Glasses

Plus Series  
Specification Sheet

**PRODUCT DESCRIPTION:**

Get your swag on and conquer the next safety hazard with the Swagger® SR5 spoggle safety glasses. The SR5 features a foam lined dual lens frame design and athletic style bayonet temples. The temples are permanently bonded with a soft TPR that extends the entire length of the temples making this a comfortable and easy to wear option. The SR522PF has gray lenses coated with MCR Safety's MAX6™ superior anti-fog coating. Each style can be worn with our SR5STRAP elastic spoggle strap that affixes to each temple, making this option fully adjustable. The Swagger® SR5 is dielectric and meets or exceeds the ANSI Z87+ high impact standard. Who doesn't want to look good while they work?

**FEATURES:**

- Next generation inspired design built for all environments
- Soft TPR extends full length of temples for comfort and grip
- Foam lined for added protection and comfort
- Wear with SR5STRAP elastic and fully adjustable spoggle strap for personal fit (sold separately)
- Dielectric (no metal parts)
- Lightweight and balanced frame with zero removable parts
- Some offerings available with MAX6™ or UV-AF lens coatings
- Rugged polycarbonate lenses filters 99.9% of harmful U.V. rays
- Meets or exceeds ANSI Z87+ high impact standard
- Applications for use in all industrial work settings, outdoors, on the lake, at the beach, and other places that you enjoy when not working
