TK1 Safety Glasses Value Series Specification Sheet

PRODUCT DESCRIPTION:

The TK1 series is an affordable alternative for providing comfort, protection and style. The TK1 features fully adjustable five position ratchet action temples with extendable length. Other features include a wrap around design and a one piece polycarbonate lens with integral side shields. The lightweight frame provides added comfort and balance. The TK110AF has MCR Safety's UV-AF™ anti-fog coated lens that are Eco-friendly and UV cured, providing 3 times greater anti-fog performance than generic anti-fog safety glasses. The polycarbonate lens filters out 99.9 percent of UV radiation that could be harmful to the eyes. Choose the best safety glasses, choose MCR Safety!
