4892 Memphis Drivers Specification Sheet

PRODUCT DESCRIPTION:

The 4892 welding glove is made of premium top grain goatskin. The supple leather contains natural lanolin that helps create a very soft feel. Characteristics include the strongest tensile strength and excellent tactile sensitivity. The best combination of flexibility and comfort. The premium top grain goatskin palm and forefinger provides excellent dexterity with durability. Other features include; a split cow leather back, sewn with DuPont™ Kevlar® thread, and 10 Inch split cow leather cuff with adjustable FR Strap. The Padded palm and top grain drag patch provide greater protection in the key wear areas. 18 Inch overall length.
