6620KV

Memphis Redcoat Kevlar

Supported / Dipped gloves

Specification Sheet

PRODUCT DESCRIPTION:

The MCR Safety Redcoat Kevlar® is produced from higher quality resins and plasticizers. The 6620KV is double dipped with PVC and has a 12" gauntlet cuff with a sandy finish palm. The most unique feature is the seamless DuPont™ Kevlar® lining. This cut resistant liner and premium PVC gives you that liquid resistant / cut resistant combo you've been searching for. Actifresh, an antibacterial agent, is used to eliminate odors and promote better hygiene. This tough and flexible PVC glove provides excellent wet and dry grip. Additionally, it provides a good grip for degreasing and petrochemical applications.

FEATURES:

- Russet PVC
- Supported
- Kevlar/Cotton Plaited
- Full Back
- Waterproof

APPLICATIONS:

Automotive Assembly, Farming, Landscaping, Cold storage applications, Food service, Material Handling
