963 MCR Safety Mechanics Gloves Mechanics Gloves

PRODUCT DESCRIPTION:

Safety, comfort, and style. These are attributes the industrial worker wants in the PPE they wear. The MCR Safety 963 “TaskFit” designed hook and loop cuff mechanics gloves fits the need. The 963 features a super stretch knuckle region for greater flexibility. The palm padding and unique grip on the index finger and thumb add to the protection and versatility of this glove. The reinforced index finger and thumb crotch adds durability in the high stress areas. The 963 is Military 499 Tan in color and offers features and comfort that make this the glove you will look forward to wearing.

FEATURES:

- “TaskFit” Designed Fit
