MC502 UltraTech Mechanics Gloves Mechanics

PRODUCT DESCRIPTION:

UltraTech® Mechanics Gloves. The MC502 glove is a tough glove with amazing features. The MC502 features a 2-way hi-vis lime material on the back with an exclusive TPR design that provides excellent coverage for back of hand protection. The G-shaped palm padding with reinforced high abrasion material adds protection and grip. The synthetic leather padded palm also provides light impact and vibration reduction. Other features include reinforced thumb crotch and hook & loop wrist closure. The MC502 also includes an ID panel on the wrist for user personalization.

FEATURES:

- 2-way hi-vis lime material on the back
- Synthetic leather palm
- G-shaped palm padding with reinforced high abrasion material
- Padded palm provides impact and vibration reduction
- Exclusive TPR two color design on the back of the hand and fingers
- ID panel on the wrist for user personalization
