MU3634K

Mustang

Cut Protection Specification Sheet

PRODUCT DESCRIPTION:

Whether you're prepping a tie off or wrangling a transmission pole, you will need a glove that works as hard as you do. The men and women of the utility industry are the most dependable workers in the world. That is why they rely on an industry leader to provide the best protection for them. The top grain leather of the MCR Safety Mustang Utility field glove offers the dexterity that allows you to feel what you're working with and holds up to the abrasion better than split leather. The MU3634K features a premium brown goatskin leather. A second layer of premium brown goatskin in the palm and fingertips provide additional protection without sacrificing dexterity. It is sewn with DuPont™ Kevlar® thread on all stitch lines to provide longer wear life and to prevent seam blowout. The full DuPont Kevlar lining provides outstanding cut protection. TPR on the back of the hand, fingers and thumb gives protection to the back of the hand.

FEATURES:

- Premium brown goatskin leather
- A second layer of premium brown goatskin in the palm and fingertips
- Wing style thumb
- Sewn with DuPont™ Kevlar® thread
- TPR protection on the back of hand, fingers and thumb
- DuPont™ Kevlar® lined for outstanding cut protection
- Shirred elastic around entire wrist

APPLICATIONS:

Utilities, Cable , Carpentry, Construction, Demolition, Farming, Lumber industry
