

Add the MCR Mobile Tools to Your Android Home Screen

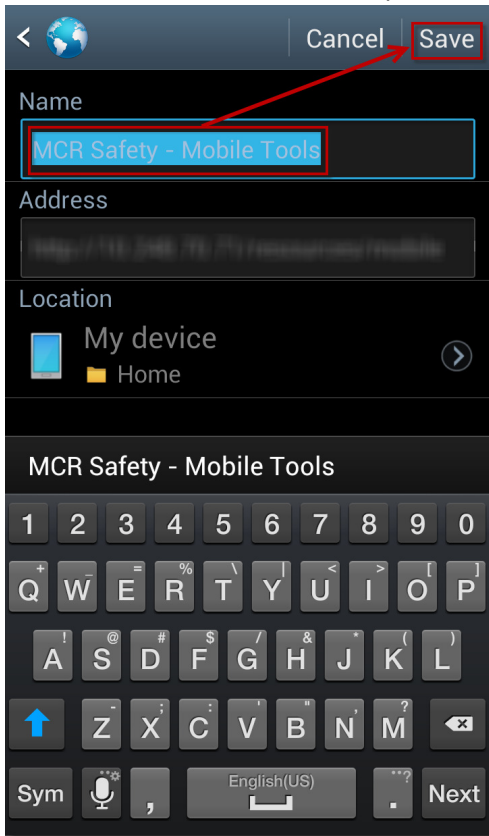

1. Browse to the MCR Mobile Tools homepage and press the “bookmark” button:

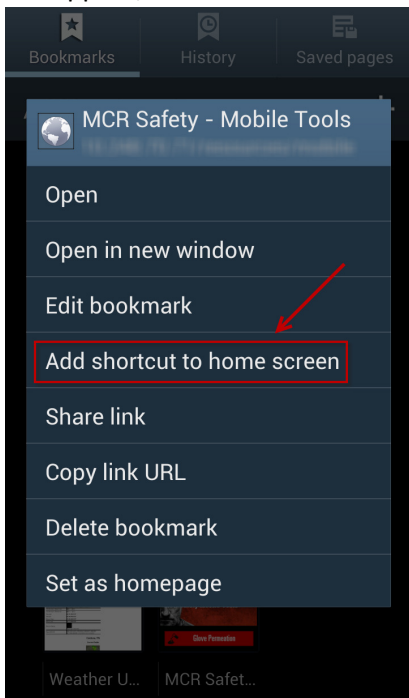

2. On the bookmarks screen, press the + next to Add Bookmark:

3. Give the bookmark a name and press the Save button:

4. Once the bookmarked is saved, navigate to the MCR bookmark and press and hold it. Options will appear, select "Add shortcut to home screen":

5. The MCR Safety Mobile icon should appear on your home screen:
