

## Add the MCR Mobile Tools to Your iPhone Home Screen

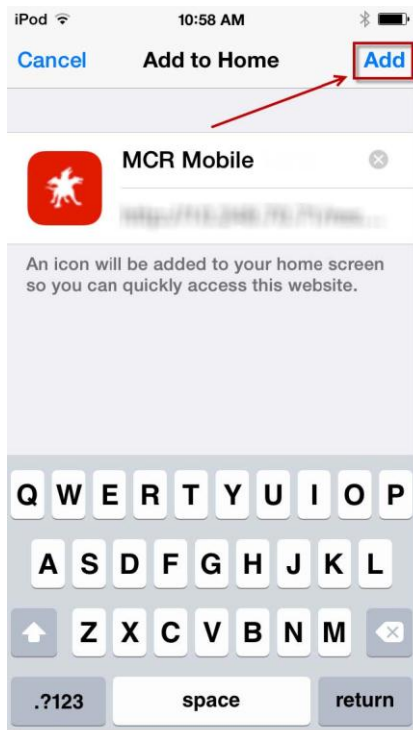

1. Browse to the MCR Mobile Tools homepage located at <http://www.mcrcsafety.com/mobile-tools> and press the “Share” button:

2. ON the share screen, press “Add to Home Screen”

3. Enter a name for the icon and press “Add”:

4. You will now see the icon on your home screen, which can be used to launch the MCR Mobile Tools directly:
