How to Measure

A.) Chest

Measure around the broadest part of your chest. With your arms at your side, approximately 1" down from under your arm

B.) Waist

Measure around your waist where you prefer to wear your waistband/pants.

C.) Inseam

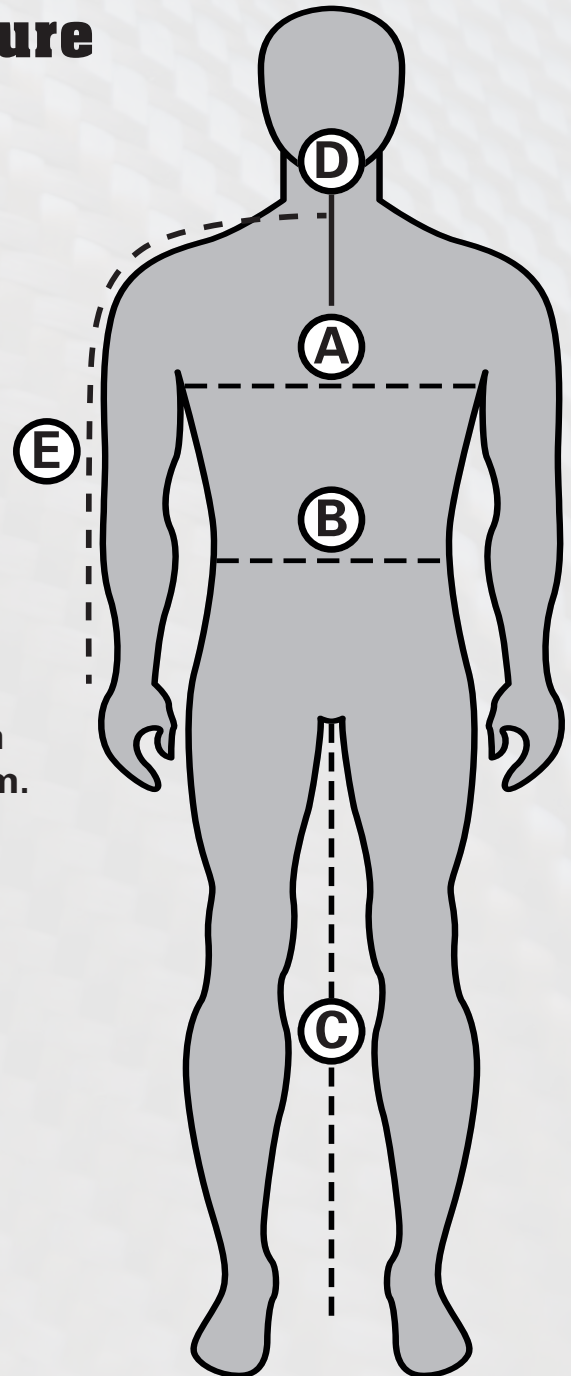

Measure along the inside seam of a pant leg from the bottom of the crotch to the bottom of the hem.

D.) Neck

Measure around the base of your neck.

E.) Sleeve

Measure from the center of your chest or back to your wrist.
