### Extreme Toughness with Extreme Dexterity

Grippaz™ powder free nitrile single-use gloves feature a patented suction grip design which is suitable for most wet and greasy surfaces. The embossed internal grip provides extra traction which keeps the gloves from slipping against the skin. The lattice effect of the grip drastically increases the overall tensile strength which increases the overall durability. Every Grippaz™ glove is designed with the wearer in mind. Each thumb contains the fish scale pattern as found on hand specific coated gloves which truly provides a firm grip when wearing Grippaz™ single use gloves.

6014B Sizes: S-XXL

- Black, 4.5 mil thickness, 9.5" length
- 100 Per box

6016B Sizes: S-XXL

- Black, 6 mil thickness, 9.5" length
